Audiovisual equipment is required to attend the webinar. Be ready to turn on your video camera upon request during the course as attendance may be verified by intermittent Visual rollcall. Course will be videotaped for educational purposes. **Participants who wish to receive credit MUST Sign-in and Sign-out on the shared Google Doc. within 30 minutes of the seminar's beginning and ending.** Failing to comply within the allowed signage time will count as absence and attendance are voided.

Seminar evaluation forms provided toward the end of the seminar MUST be completed and returned within 24 hours after the seminar. Attendees failing to submit the course evaluation within the allowed time limit forfeit the CEU hours. Certificates will be emailed to the attendees who completed the above requirements within 2 weeks.
